

Course in General Safety Induction (Blue Card)

30215QLD Course in General Safety Induction (Construction Industry) Blue Card

Program Overview

All people undertaking construction work in QLD must have successfully completed a general safety induction course recognised by QLD law before they start work in any construction activity. Upon completion of this course participants will be able to:

- determine and apply basic risk management concepts in relation to construction type work
- read, interpret and apply all safety instructions as required
- identify and follow standard work procedures in the event of an emergency
- report hazards and potential workplace incidents to appropriate personnel
- determine their roles, rights and responsibilities under law.

Delivery Location

Collins Warehousing
144 Lyons Street CAIRNS 4870
Phone: 07 4031 4503
